

Sponsorship Levels

The RVC Art Walk is Rockville Centre's newest signature community-wide event. With the backing of the RVC Chamber of Commerce, our goal is to create a strong art presence in South Nassau by providing a unique event that unites the community around local artists and businesses. Our reach will cover thousands of residents over the month of June through promotional activities, art showcases, mini-events and demos within host business locations, as well as a closing ceremony. The Art Walk and its sponsors will be promoted through our landing page, physical posters, maps, signage, social media and legacy media. This is a great opportunity for local businesses to be a part of a growing event by sponsoring during its beginning stages.
